

Saints during the week.

On Tuesday we celebrate the feast of St Matthew. In his Gospel account, St Matthew demonstrates that Jesus is the fulfilment of the Old Testament hope for a messiah. The Greek version of the Hebrew word 'messiah' is 'Christ' meaning anointed by God. St Matthew wrote to show his Jewish readers that faith in Jesus was quite natural for any Jew, as the life and teaching of Jesus came from deep Jewish roots. As we read his gospel we observe the many quotes from Old Testament prophets and psalms being fulfilled by Jesus. St Matthew places the teaching of Jesus in five blocks to mirror the five books of the law of Moses: 1. Chapters (Ch.) 5-7, the Sermon on the Mount. 2. Ch. 10, Jesus sends out the twelve. 3. Ch.13, Parables of the Kingdom. 4. Ch.18, being a disciple. 5. Ch. 24 -25, teaching on the future. St Matthew shows the Gospel of Jesus is for the whole world for Jews and non-Jews (Gentiles) – 'Go and make disciples of all nations.' (Matt. 28:19). Matthew was also called Levi, the son of Alphaeus, his line of work: a tax collector for the Romans, hateful to the Jews but the Lord called him. St Matthew was probably martyred in Persia, modern day Iran.

On Wednesday we keep the memorial of St Pio, better known as Padre Pio, a priest of the Franciscan Capuchin community who received supernatural gifts and bore the stigmata, the wounds of the passion of Christ.

Petition to the Home Secretary:

The Society for the Protection of Unborn Children **SPUC** is inviting us to sign a petition to uphold the right of peaceful, law-abiding pro-life citizens to save the lives of unborn children and to offer help to pregnant women directly outside abortion clinics and to reject any measure to restrict this activity. The offer of help from a caring pro-life person is a lifeline for many women, who feel abortion is their only choice. Pro-life citizens have a right to gather peacefully and women have a right to receive accurate information. Buffer zones would set a dangerous precedent for freedom of speech in the UK. Petition forms are available in the porches of our churches. May I encourage your good selves to sign this petition. This peaceful witness literally saves lives, a witness that is both pro-life and pro-eternal life.

Dear Parishioners, Greetings on this **Twenty-Fifth Sunday of the Church year!** The Gospel this weekend underlines the generous love of God, a love that cannot be measured by any human standard.

As we are not bound by the obligation to attend Sunday Mass parishioners may prefer to attend a weekday Mass where numbers are fewer - family / households should try to keep at least a metre apart from others, gel hands on entering and exiting and please wear a face covering, **mandatory in enclosed places**, there are plenty of free face masks in the porch and entrance areas of our churches. **To allay real concerns may I prayerfully request those who wish to receive on the tongue directly from the priest to wait until everyone else attending Mass has received Holy Communion on their hands. Fr Eamonn**

Government guidance for the safe use of places of worship states that churches should assist NHS Track and Trace by keeping a record of those who come to Church, thus the Archdiocese of Birmingham recommends we capture contact details: name and phone number of those attending (individuals and families are free to decline) and in line with **GDPR, kept for 21 days and then disposed of.** *I realise some parishioners will wish to remain at home especially if they are either feeling ill, suspect they are ill, have been exposed to Covid 19, have a pre-existing condition, are immuno-compromised, or have a sick family member in their household.*

HARVEST FESTIVAL: SUNDAY 4th October (TWO WEEKS TIME). Usually we celebrate Harvest Festival at Barton and at the end of Mass we auction the gifts and proceeds to an orphanage in Guatemala. Given Covid-19 restrictions this year we shall hold a "pantry Harvest" by bringing non-perishable items to church and then gift them to the YMCA homeless project, a charity we already support. Please bring your gifts over the next two next weekends.

First Holy Communion Mass: Sunday 18th October, 11am, Our Lady of Perpetual Succour, Wales Lane, Barton. Please pray for all the children and their parents and siblings. A big thank you to Bridget Bradley who has been preparing the children these last few months. Please let Bridget or myself know if you would like your child to make First Holy Communion next year 2021.

Prayer Intentions: For families: to be places of prayer and love. For the people of Lebanon and for places of oppression. Please continue to pray for the safety and protection of our unborn brothers and sisters in the womb (the unborn child experiences some degree of pain from as early as eight week's gestation, cf. Dr Maureen Condic, Professor of Neurobiology and Anatomy, University of Utah.) and the health of their parent's, those effected by Covid-19, the dying and incapacitated, travellers, migrants, the unemployed and the homeless. We pray for young people, the 40 Days for Life witness, Holy Souls, persecuted Christians and more vocations to matrimony, priesthood, and religious life. Pray too for a deeper love of Christ's Eucharistic presence in our churches. **God Bless us all! Fr Eamonn**
